

KITS FOR KIDS

BACK TO SCHOOL HYGIENE KITS

What Do Kids Really Need for Back to School?

Children living in poverty often go without basic essential items to manage proper hygiene. In addition to their other daily struggles, acquiring simple hygiene items such as soap, shampoo, deodorant, and toothpaste can be very challenging.

In an effort to assist these families, **Love INC of Clay County** works with local churches, clubs, and individuals to provide low income families with pre-assembled hygiene kits. Each kit comes inside of a nylon bag that not only makes distribution a breeze, but can also be used by the kids as a permanent storage or gym bag. Our goal is to help 500 kids in Clay County.

If you would like to do school supplies with a twist, join **Love INC** and help supply kids with kits that meet some of the needs that are not being talking about.

What We Need

Here is a list of items that kids going back to school have asked for:

- Shampoo
- Conditioner
- Bar Soap
- Deodorant (grades 6-12, boys and girls)
- Toothpaste
- Tooth Brush

Donations are needed by the end of the second full week of July.

Help Build Kits

If you would like to make the kits yourself, just assemble one each of the items listed above for each child, and place in a one gallon clear food storage bag. Then and bring the filled bags to **Love INC** where they will be placed in small gym bags and distributed at the area schools.

Items can be dropped off at **Love INC** on any Monday-Thursday between 10:00am and 3:00pm, or by appointment by calling (816) 994-6927.

Be a Volunteer

Volunteers will be needed to help assemble the kits and to hand out kits at schools in the Clay County Area. Most of the kits will be distributed in early August, however specific times, dates, and locations are yet to be determined.

If you have any questions call David at (816) 994-6927 or email at drathbun@loveincclaycounty.org.
