How You Can Help

Before you get together with your friends for coffee or tea, at your own party, or at a Bible study, ask them to bring a few items for babies in need. Then deliver the items to Love INC where they will be distributed to families in need. It can be a little or a lot.

Any amount will help. Your friends can also donate dollars to the program and every cent will go directly to the purchase of baby supplies.

Love INC, in partnership with Happy Bottoms, supplies more than 170 babies with 50 free diapers every month. The families are living at or near poverty and are residence of Clay County, MO.

In addition to the diapers, Love INC also provides lotion, soap, wipes, shampoo, and ointment for these babies, along with an occasional toy or bib or other baby item as they are available.

Want to Host a Baby Shower with a Difference?

Would you like to give something to a cause that is close to your own heart? How about hosting a baby shower for Love INC?

Throwing a baby shower is primarily about helping the mom-to-be celebrate the new baby that she'll shortly be bringing into the world - it's about recognizing her hard work in pregnancy and the hard work she's yet to do once the baby arrives.

However, many moms are not financially able to buy the things they need for their new baby, and that is where you can step in.
